The Intensive ESL Community platform

www.intensive-esl.quebec

Most Intensive ESL teachers within the Province of Quebec have received their username and password to access the platform. If you have not yet received yours, please write to [Carolyn Buteau](mailto:carolyn.buteau@intensive-esl.quebec). She will gladly send you your account information.

Once you are connected to the platform, you can either SEARCH for resources or visit the COMMUNITY SPACES. The search page shows up automatically. To access the Community Spaces, click on the arrow that points downwards (see yellow circle in above image). Lots of resources and interesting posts can be found in the different Community Spaces. Teachers can even create their own spaces, to ask questions, share information or share project ideas and resources.

Presentations at school boards

Elizabeth and Carolyn are available to give (free of cost) workshops about the different Intensive ESL Community tools at school boards within the larger Quebec City and Montreal area. Do not hesitate to contact us. Depending on your location, we can meet in person or virtually.

We wish to thank **SPEAQ** and all of their wonderful volunteers for making this year's convention a success. It was a pleasure meeting everyone. Thank you to the teachers and CPs who participated in our pre-convention session and workshops. We look forward to working with you throughout the year.
