

Name: _____

My goal for cooperation

Setting goals and developing strategies

Throughout the tasks of the LES *All for one, one for all!*, you will have the opportunity to work with a team.

You will be developing your competency to **Cooperate with others**. Using the suggestions below, choose a **goal** that fits and find **strategies** that will help you attain it.

My goal

I would like to work on ...

- Participating in class and group discussions
- Recognizing the strengths and talents of my teammates and putting them to use
- Planning our work together
- Doing the tasks assigned to me in the plan
- Solving conflicts within my team
- Making suggestions to improve our work
- Encouraging others
- _____
- _____

Strategies

Here are the strategies I will use to help me:

! Remember that a goal is something that you have not yet fully accomplished. Writing down things that you **ARE** good at is not a good goal to set for yourself. A goal is something you need to work on.

Self-evaluation

Did I attain my goal? How do I know?

I attained my goal completely partly not at all

Here's why:
