

QUEBEC ONLINE ALLIANCE

Coordinated by 

September 28th, 2021.

Dear Parents and Guardians of the Quebec Online Alliance (QOA),

We are very excited to start classes tomorrow. There are a few technical issues regarding board computer permissions that may have to be fixed to allow certain students to attend classes but that is getting taken care of. We will use tomorrow to log in to classes, meet teachers, and test connectivity.

Thursday, each grade will be invited to an assembly through a link where we can do a full school check in. I will be sending a note tomorrow with the time for the short grade level assembly where we will connect with everyone. It is imperative that you attend.

From here on in if you have questions or concerns please contact me, Patrick Hall at phall@wqsb.qc.ca.

Looking forward to an amazing year as we launch this remarkable project!

Best,

Patrick
